

Come, Lord Jesus

Come, Lord Jesus Prayer and Bible Study is a program developed by Fr. Conley Bertrand in Lafayette, Louisiana. This program brings people together once a week to study the Sunday readings.

September 2011, our current CLJ group celebrated five years of coming together every Monday to study God's Word. Many of our members had never read their Bibles before, but always wanted to, and now look forward to reading and sharing each week.

We have all grown in our knowledge of Holy Scripture and our love for it. We find this prepares us to celebrate our Sunday Mass and Eucharist with more love and understanding.

If you think you would be interested in joining Come, Lord Jesus, they meet every Monday at 10am in the Parish Rectory. All parishioners and friends are invited and encouraged to join.

Jesus says, "Come and see." (Jn. 1:39) You will find Come, Lord Jesus to be a life changing experience.
