

SLKF Men's Club

Mission

To foster Christian fellowship through social gatherings and activities, and to provide the men of the parish an opportunity to meet in an informal manner so as to give strength and support to the parish community and to make ourselves available to lend assistance to other parish organizations.

Purpose

St. Louis King of France Catholic Men's Club is a group of men who come together in a spirit of fellowship, prayer and service to the community for the following purposes: To enhance, renew and promote the spiritual growth of its members through regular attendance at mass, lectures, seminars and retreats; to discuss matters of faith and morals while fostering an atmosphere of prayer in their daily lives; to serve the community through corporal and spiritual works of mercy; and to bring about a spirit of evangelization in the Catholic community by exemplifying the teachings of Jesus Christ in their daily lives.
